

ANGLICAN PARISH OF DERBY AND BLACKVILLE

SERVICE SCHEDULE

Resuming of Public Worship in the Parish – Public worship services resumed Sunday, June 28. There are some things you need to know:

- If you would like to attend please call **843 6022 (leave a message)** or email **SaveSeatatChurch (at) gmail.com** before Noon on the Friday before the Sunday you will be attending. **Provide your name, phone number, the names of any who will be attending with you and which service you plan to attend.**

Why is the necessary? The Province requires that we keep a list and contact number for anyone attending services. Having the list ready before the service will help to keep things from slowing down at the door. The Greeter will already have your name and will not have to take the time to write your information down. This way others will not have to wait in line any longer than necessary. Thank you.

- Social Distancing, screening questions and hand sanitizing will be in place.
- Some pews will not be available to help facilitate social distancing.
- If you require more information please review the Parish Operational Plan (on the Parish website – www.Crosspurposes.ca) or speak with Fr. Gerry

Fr. Gerry is available for Pastoral Visits – they can be by phone, virtually, or, in person with the appropriate precautions. He is also able to offer Home Communion for those unable to attend Church Services. If you are interested in having a visit from Fr. Gerry, please contact him and he will make arrangements for one.

Hospital Visits: Clergy now have limited access to visit the hospital. **Please remember to keep Fr. Gerry informed of anyone who is ill at home or admitted to hospital or a long-term care facility (nursing or special care home).** It is almost impossible for him to get that information from the hospitals during “normal times” and he needs you to let him know. Please do not assume someone has told him – you should not hesitate to be in contact with him.
